

Our New Look

The Healthcare Employees' Pension and Benefits Plans (HEPP/HEBP) has transitioned to a single name - HEB Manitoba. This new name more effectively represents one organization serving all members' needs.

Our new logo with the tagline "A Secure Tomorrow Together" emphasizes our commitment to members and other stakeholders through our mission and values to establish a new and higher standard for pension and benefit plans. It reflects the progressive changes we are making as an organization with a focus on improved delivery of services and benefit coverage; enhanced communication; strengthened relationships with stakeholders; and effective governance and management of funds.

Navigating the New Site

As part of this transition we have redesigned our website to reflect our new brand and make it easier for members, employers and unions to navigate the site and access information.

In the header of each page are links to the benefit plans provided by HEB Manitoba - Pension, Healthcare, Dental, Life Insurance and Disability & Rehabilitation. Each of these headers link to separate sections for active and retired members. There is a login for employers and unions at the top-right corner of each page.

By presenting the information by plan and stakeholder group we hope it will be easier for you to find what you are looking for. Each section contains information and forms for the benefit plans offered by HEB Manitoba.

The pension estimator has been updated on the new website to be more user-friendly. It can be used to see how various employment scenarios, such as a salary increase, changing to part-time or full-time, or working for another year can affect your monthly pension amount. This year we will also be unveiling other new features as part of our ongoing commitment to enhancing communication with our members and other stakeholders.
